

THE SOHO LIFE RETURNS

LAUNCHING
PHASE 2

OF BENGALURU'S FINEST
INTEGRATED TOWNSHIP

 **Nambiar**
DISTRICT 25

Live The Soho Life

It's a breezy morning. You're enjoying a cup of French Press outside a quaint café. Right across the street is the theater where you've got tickets to an internationally renowned musical. After the performance, it's time for lunch at a Michelin-star restaurant, before taking a stroll through a beautiful, modern neighbourhood. Ah, the SOHO Life is amazing. But you're not in SOHO. You're in Bengaluru.

District 25 is our take on The SOHO Life - a place where work meets play, where art thrives and nature blossoms. Our aim is to build one of the world's finest neighbourhoods right here in the Garden City, an address whose true value will be felt for generations to come.

The SOHO Life is well and truly here. And citizens are invited.

Phase 1 saw over 750+ happy families find their forever home at Nambiar District 25. And now, as we launch Phase 2, it could be you.

A District in Itself

District 25 is a sprawling, proposed integrated township, whose central highlight is a clubhouse spread over 7 acres.

Fully loaded with an Olympic-length swimming pool, a gym as well as courts for badminton, squash, bowling alley and many more. The jewel in its crown is the 4km jogging track. Not to mention the numerous spaces for upcoming cafes, restaurants, shops, a banquet hall, auditorium, a party terrace and an open-to-sky projection wall area.

All nestled in the lap of Mother Nature, dressed in a million shades of green.

Villa living in an apartment

Skyrise apartments designed with all the perks of villa living.

A district full of possibilities

Homes, shopping, sports facilities. And a 1km Spine Road connecting it all.

The new beating heart of SWIFT City

Rub shoulders with the who's who of Bengaluru at an ultra-luxury integrated township

It's premium.

It's private.

Spacious balconies, no shared walls - the ultimate in privacy and comfort. Just 4 units per floor and 4 elevators[#] in each tower.

Put the style in lifestyle

Activities galore at the state-of-the-art 7 acre clubhouse.

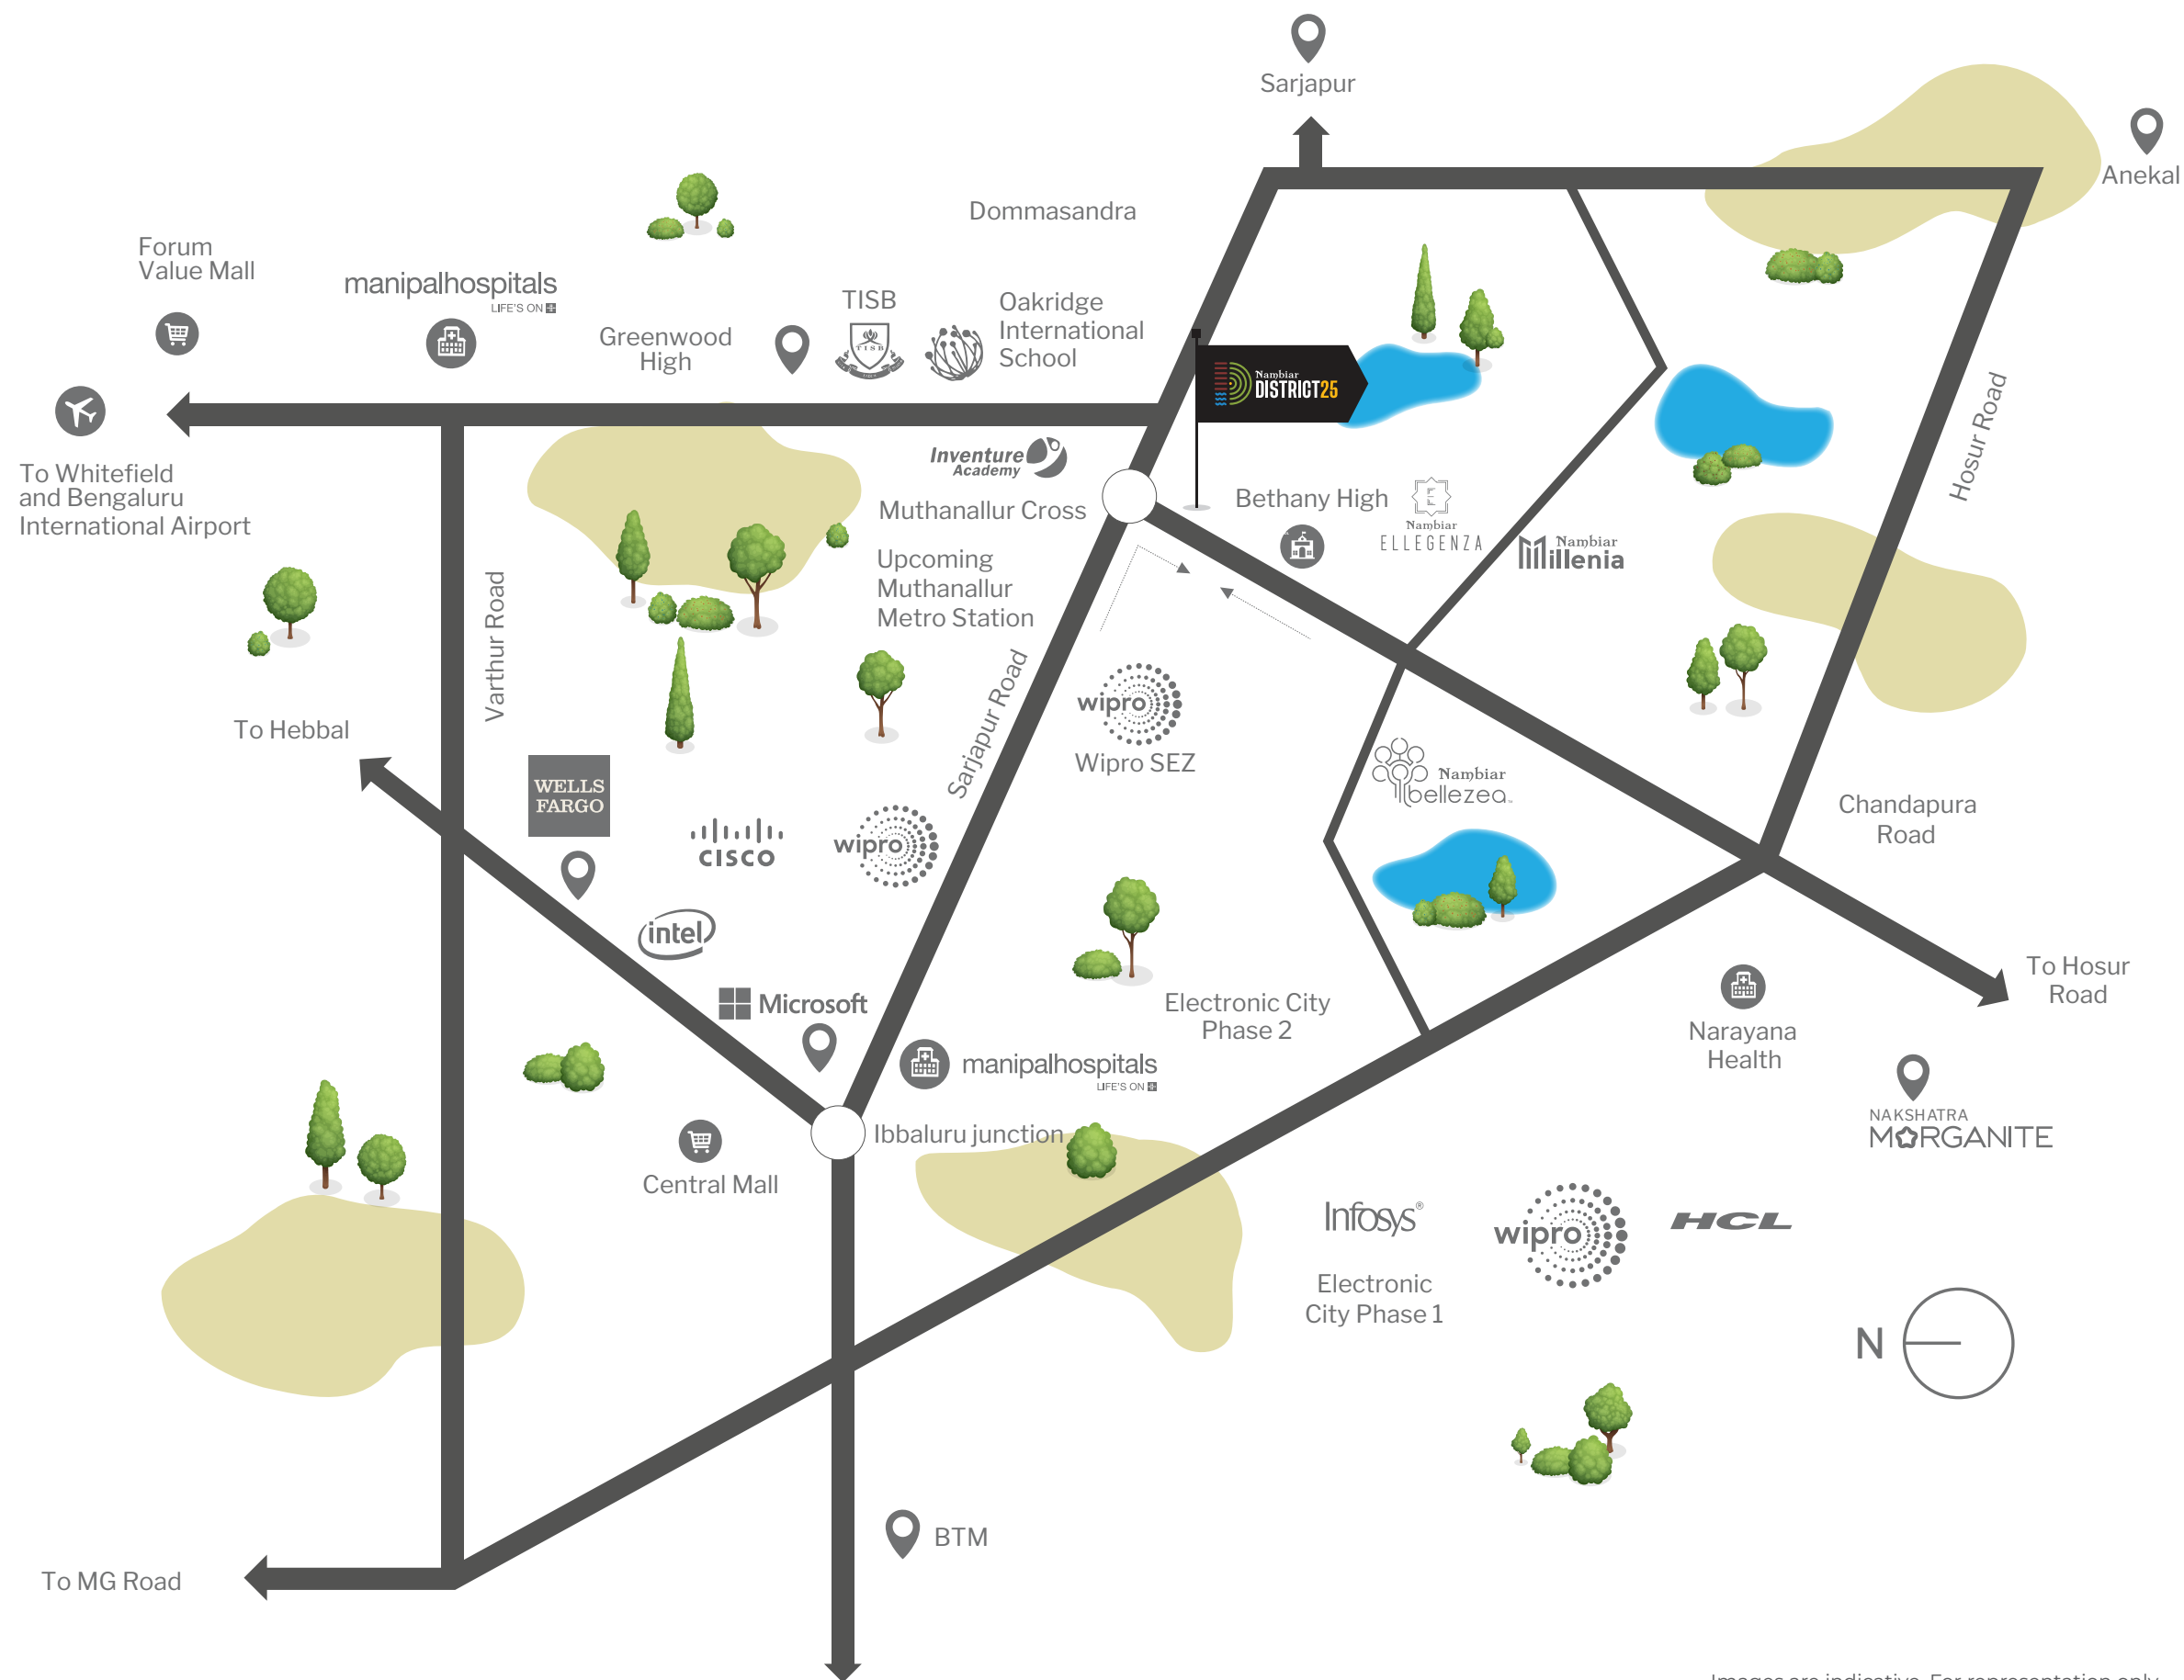

Be connected to Mother Nature

Live in a sprawling expanse with 80% open space, 40% green space and 3500+ trees.

An artistic rendering of a modern, multi-story clubhouse building with large glass windows and a curved facade. The building is surrounded by lush greenery, including palm trees and flowering trees. In the foreground, there is a paved area with a circular walkway and a small, modern structure with a curved roof. A road with a car is visible on the left side. The text "SOHO ZONE" is overlaid in large white letters on the right side of the image.
